PROJECTS

■ Agriculture Department Record

November 2020- April-2021

- Worked with my team to create a website and designed it in the front-end using HTML, CSS and JavaScript and connected it with a database which will keep all the details of the product.
- The project keeps the data from the farmer what he is cultivating in the field, where he is selling it where it will be sold and at what price it will be sold.
- It will keep all the information about the product as well as it will keep various data about who sold it.

CERTIFICATIONS

- Certification of Programming in Core Java.
- Certification of Programming in Advanced Java.
- Certification of Programming in Python.

EXTRA CURRICULAR & CO-CURRICULAR ACTIVITIES

- Represented my house in inter-house dance competition.
- Event Handler in my college events.
